# AGREEMENT FOR THE USE OF A CAMPUS LICENSE OF PCB LAY-OUT CAD SOFTWARE TARGET 3001!

( 1 )
The buyer/licensee declares that he exclusively will use TARGET 3001! for educational purposes.

( 2 )
The campus licence of TARGET 3001! can be copied to an unlimited number of workstations or to a server that allows simultaneous access for an unlimited number of students. The campus version may only be installed on a campus internal server with access for students, as well as on the corresponding private computers of the students.

( 3 )
TARGET 3001! must not be used commercially in respect to this license. Acting contrarily causes a penalty of EUR 2,500.00. The files generated by TARGET 3001! campus license can exactly be identified.

( 4 )
This version purchased must not be sold to third persons or handed out as a gift. Furthermore it is only allowed to hand out the software to pupils/students for use on their private computers for educational purposes.

( 5 )
The licence is valid for two years from the date of purchase.
