LICENSE AGREEMENT FOR THE STUDENT VERSION OF THE PCB LAYOUT CAD SOFTWARE TARGET 3001!

(1)
The buyer/licensee declares that he/she is a registered student and is going to use the software TARGET 3001! only for educational purposes and not for commercial use. The buyer/licensee must send a copy of his/her original student ID or a colored scan by email to Ingenieurbuero Friedrich or its distribution partner in advance to the shipment.

(2)
The use of this software is only allowed during the time, that the student is actively enrolled in classes.

(3)
Violation of the terms of this agreement could result in fines of up to $3000. The files produced using the TARGET 3001! Student Version can be identified. This TARGET 3001! Student Version is a single user license and must not be sold or distributed to others.

(4)
The licence is valid for two years from the date of purchase.
